

Wanted: used furniture

Moving out of your dorm or apartment? Not sure what to do with your gently used furniture? The International Rescue Committee can help!

The IRC in Turlock/Modesto can help. The International Rescue Committee responds to the world's worst humanitarian crises and helps people whose lives and livelihoods are shattered by conflict and disaster to survive, recover, and gain control of their future.

We're looking for gently used couches, dining sets, and dressers to give to survivors of conflict and persecution who are moving to the Central Valley. (Couches that are stained or items that are broken cannot be accepted.) Our staff can schedule a time to pick up these items.
